TECHNICAL DATA

MP Lite-D Multigrade Diesel Engine Oil

MP Lite-D is a high quality multigrade oil suitable for use in small capacity non-turbo diesel engines.

Features

MP Lite-D multigrade diesel engine oil is applicable to engines where the manufacturer recommends a 10W-30, 10W-40 or 15W-40 engine oil.

Suitable for use in small capacity non-turbo diesel engines

MP Lite-D is blended to meet or exceed the following specifications:

API CC

Typical Physical Characteristics

Viscosity Grade	SAE 10W-40
Density @ 15 C	0.876
Viscosity @ 40 C	119.5 cSt
Viscosity @ 100 C	15.6 cSt
Viscosity Index	137
Appearance	Clear amber liquid
Product Code	02200

Rev:C/10
